Analist financiar

About me

As a second-year Master's student in Finance, I am highly motivated to expand my analytical skills and deepen my understanding of complex financial issues. With a strong academic foundation and a drive for excellence, I am eager to apply my knowledge and dedication in a dynamic professional environment. I am currently seeking a finance role as an analyst or controller, starting in March 2025, where I can contribute to meaningful projects and further develop my expertise in the field.
